

FURMAN WOMEN'S BASKETBALL HEAD COACH  
**JACKIE CARSON**

Jackie Carson, who recently completed her ninth season as head coach of her alma mater, is one of the best players in Southern Conference history. During her head coaching career, Carson has quickly guided the Paladins to be one of the top teams in the Southern Conference and has participated in postseason tournaments 4 out of the last 7 years. This season she led the Paladins to their first SoCon Championship Game appearance since 2000 and competed in the postseason WNIT for the 2nd time in 5 years. In 2014, Carson was named the Southern Conference Coach of the Year and their first postseason appearance in 14 years. She is only the second Furman women's basketball coach to collect league Coach of the Year accolades and is the first person in Southern Conference basketball history, men and women, to be named both Player of the Year and Coach of the Year. Carson captured Player of the Year honors in both 1998 & 1999 as part of a brilliant playing career for the Paladins, and led her 1999-2000 team to a Southern Conference Championship and NCAA tournament berth.
